## FULL STACK DEVELOPER

I'm dedicated to enriching and expanding my technical knowledge, which I've acquired over the past three years at AKTU University. Currently pursuing my B.Tech at IMS Engineering College, I am enthusiastic about embracing new technologies and methodologies.

## EDUCATION

**IMS Engineering college**
*B.tech Computer Science (CGPA : 5.86)*                                    *OCTOBER2020-JUNE2024*

**Karan Public school**                                                                    *MAY2019-MARCH2020*
**12th** *(percentage : 83.5%)*

**Cosmos Public school**                                                              *MAY2017-MARCH2018*
**10th** *(percentage : 71.4%)*

## EXPERIENCE

**Full Stack Django developer intern** (CodingBlocks) July2023-Aug2023

- Acquired a solid foundation in Django through guidance from experienced professionals.

- Developed a fully functional social media clone using Django and Python, empowering users to create groups, upload, and edit posts. Acquired proficiency in JavaScript, HTML, CSS, Bootstrap, and MySQL during project execution.

**GEEK for GEEKS Club**(Technical Head) March2023-present

- I played a key role in orchestrating coding events for students and designed challenging coding quizzes for the occasions.

- I provided mentoring support to participants who encountered technical challenges during the quiz.

## PROJECTS

***Social Site Clone*** *(HTML,CSS,BootStrap,JavaScript,Jquery,Python,Django,SQL-lite)*

- Created a full-stack web application using Python and Django, resembling a social media site, enabling users to discover, add, modify, and delete groups and posts.
- Crafted and seamlessly integrated a user-friendly interface to enhance the overall user experience.

**Discord-Bot** *(graphQL,Python)*

- Developed a Discord Bot that enables users to receive daily challenge updates from LeetCode directly in their Discord channel.

## CERTIFICATES

**Full Stack Django developer Intern** (Completed)

coding blocks , Noida

date of completion : 06 JULY 2023 - 10 AUGUST 2023

**Python and Django Full Stack Web Developer Bootcamp** (In Progress)

Udemy, Online

Expected date of  completion : 20 OCTOBER 2023

**The Ultimate MySQL Bootcamp: Go from SQL Beginner to Expert** (In Progress)

Udemy, Online

date of  completion : 25 OCTOBER 2023

**Linux Terminal Productivity**      (Completed)

Udemy, Online

 date of  completion : 17 JULY 2022

## TECHNICAL SKILLS

| | |
|---|---|
